Kamus

i=10;

n=0;

Diskripsi

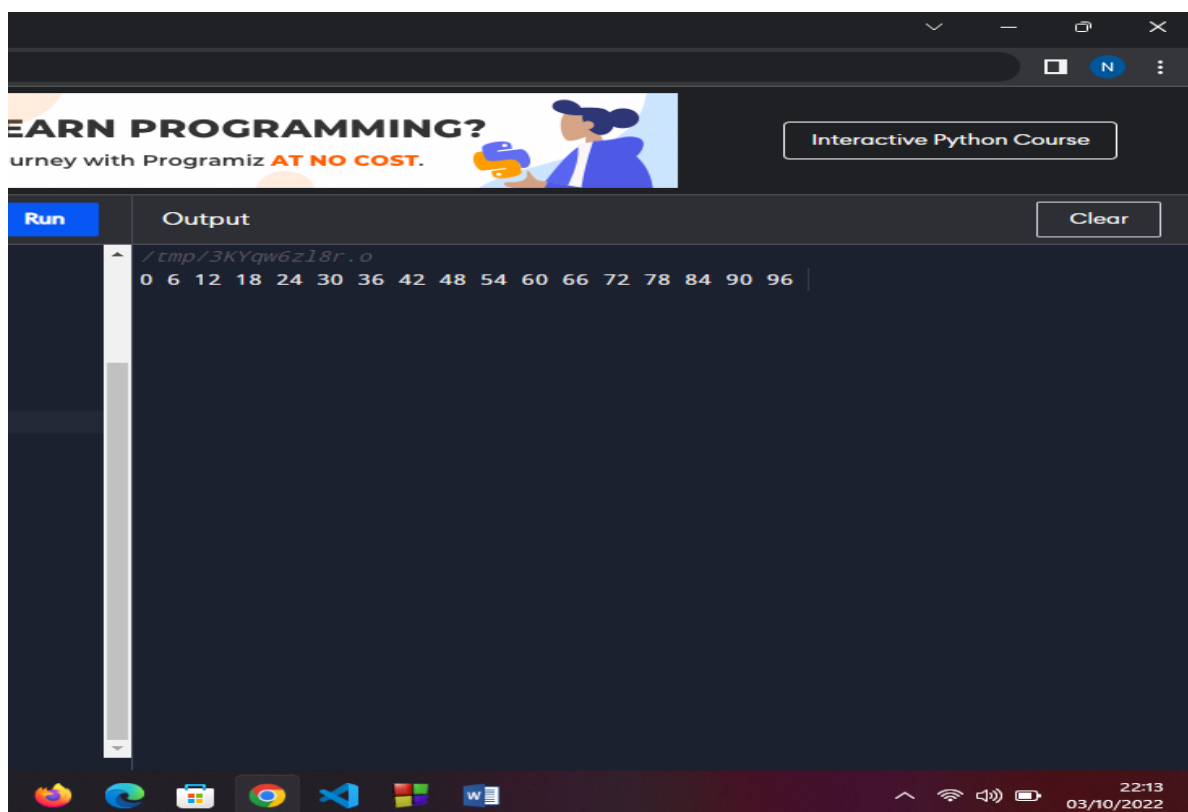

```
while (i>8)
```

```
do
```

```
    n=n+6
```

```
while (n < 100)
```

```
    i=i-2
```

The screenshot shows a web browser window with a dark theme. At the top, there is a banner for 'EARN PROGRAMMING?' with the text 'Journey with Programiz AT NO COST.' and an illustration of a person. To the right of the banner is a button labeled 'Interactive Python Course'. Below the banner, there is a 'Run' button and an 'Output' section. The output section displays the following text: 

```
/tmp/3KYqw6z18r.o  
0 6 12 18 24 30 36 42 48 54 60 66 72 78 84 90 96
```

 The browser's address bar is empty. The bottom of the screen shows a Windows taskbar with various application icons and a system tray on the right displaying the time '22:13' and the date '03/10/2022'.
